Can You Guess Our Special Visitor This Month?

Lenny the Leprechaun will be back to wreck havoc in the room. Hopefully this year's class will be able to catch him.

March Fun

The Pooh Bears will be making St. Patrick's Day decorations. We will use a variety of materials to create our projects. The Pooh Bears will also be busy constructing traps to catch Lenny the Leprechaun.

Outside

The Pooh Bears will engage in large motor activities that require strength and balance like jumping, hopping, and running.

Tips:

Limit screen time. Too much screen time has a negative impact on the brain's white matter. This is the area key to development of language, literacy, and cognitive skills.
