

CARE BEAR'S MAY NEWSLETTER 2022

May 30th- Closed for the Holiday

Dear Families

This month we will be focusing on all the pretty flowers and the beautiful sunshine. Hopefully when we take walks outside we can see them bloom. We will be working very hard on our Mother's Day gifts. We hope you like them! We will continue to work on our gross and fine motor skills. The little babies will work on tummy time and reaching for toys.

Developmental News:

At **6 months** we would like to introduce them to a **sippy cup** and let them have it when they are eating their lunch. We will put water in it till they transition from a bottle to a cup.

We also start to work with them on holding their own bottles.

At **1 year** we like to get them **off the bottle and the pacifier**. They should also be **on finger foods** and **feed themselves**. They are also down to **1 nap a day** and are **on a cot**.

We supply 2 snacks a day so **when you have introduced foods** at home please let us know and we will start giving them snacks.
