New this month...

This month we will be observing the life cycle of a butterfly. They will arrive in caterpillar form and we will get to watch them form their chrysalis' and transform into butterflies. It's a very exciting time for the kids.

To Try At Home:

Provide your preschooler with a magnifying glass to look at their hair, nails and skin. What do they see? Have them also look at your hair, nails and skin as well. What is the same? What is different? Is each part the same color, texture, or size? What makes each part different? Using the magnification tool on your tablet or computer, demonstrate how the size changes. You can also feel the texture of hair, nails and skin. Use words like *soft*, *smooth*, or *bumpy* to describe what is felt.

What You Need To Know:

The children will be working hard this month on learning some songs and dance steps to impress you!! The children wear graduation T-shirts and shorts for the ceremony. If you have any questions please ask!

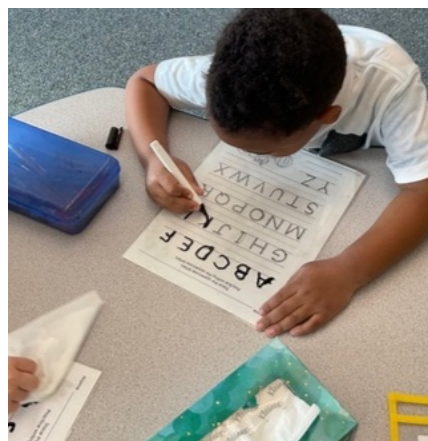

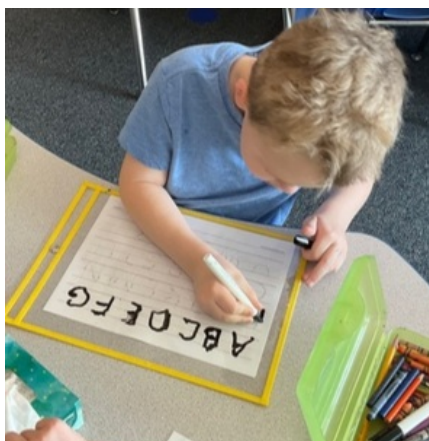

Books we will be incorporating:

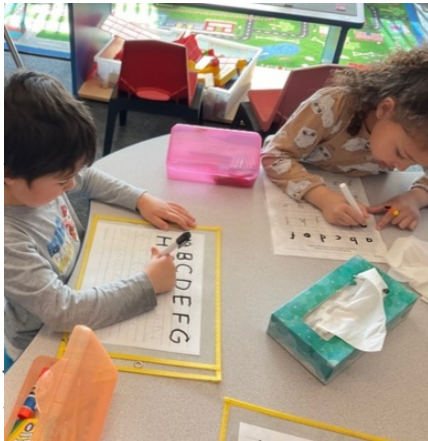

- [Life-size Zoo](#)
- [The Very Quiet Cricket](#)

- Please be careful in the afternoons when picking up your child. There are **other programs** starting in the fields by 4:30 PM.
- **The Lift** (elevator) is up and running. Please be aware of the lift doors when they open. It is best to walk on the opposite side of the hallway at all times to avoid coming in contact with the door as it opens. The lift is only for wheelchair accessibility. A key is needed to operate it.

Summer Water Play Fun -Children will need to have a bathing suit, water shoes, and a towel for selected water play days. Your child's teacher will let you know when they have scheduled a water play day so you know when to bring in their suits, towels, etc. We request that ***all girls have a 2 piece suit*** to make toileting/diaper changing easier. Please keep this in mind when shopping for bathing suits!
