Center-Wide News

Happy New Year to everyone!

We do go **outside twice every day for an hour** if the temperature is 25 degrees or above so ***PLEASE dress your child accordingly.*** Since children/infants do not wear a coat when in a car seat please make sure that you bring in a coat for them for when they go outside. ***If you have a spare coat, leave it here in their locker with a hat and mittens so they are always prepared for outside fun.*** If there is (any) snow we will go sledding so boots and snow pants are a must. This includes toddlers to school age children. If we can get the strollers out, the babies go out too!

Thank you to those who participated in our Holiday Shop and to all the families who were so kind to all of us over the holidays (the teachers and office personnel). Your generosity is very much appreciated!

Summer Camp paperwork will be available the week of January 2nd. Children in **K-6th grade must register** for camp even if they are part of the school age program. Paperwork is available on our [website in the Parent Nook under forms.](#)

Important Safety Rules to Teach Your Children can be found on this website. Some information is common sense but it doesn't hurt to be reminded of what we as parents need to be teaching our children.
