#### **Do it!**

Help your preschooler draw straight, curvy, wavy or zigzag lines across a piece of paper. Give child-safe scissors for them to practice cutting on the lines. If your preschooler has difficulty drawing or cutting, trace or precut different types of lines using different colors. (pakeys.org)

Welcome to the **Month of the Young Child!** April is a very fun filled month! **Please check the calendar on the website,** <https://daycarecentersinc.com/parent-events/> or email for specifics. There are many special days that you and your child need to be prepared for! Most are on Wednesdays!

The new **hot lunch slips** went out and start this month!

If you haven't tasted a "**Nothing Bundt Cake**" cake yet, you need to! They are delicious! The cake we're selling are the size of an adult's hand and feeds 2 people (if you're willing to share!) Keep those special mothers in mind when placing your orders. Go ahead and order one for yourself too! Sale runs from **4/15-4/26** and will be **delivered on 5/10** right before Mother's Day Weekend.

**The Preschool children** will watch and discuss a "**Personal Safety**" program during the week of **4/29**.

**Before/After School Age Program 2024-25.** If you haven't completed the registration packet for the upcoming school year please do so as soon as possible. Even if your child attends the school age program now, you still need to re-register for the Fall. This is the time of year when new families to the neighborhood start to look for care and those that didn't get in last year try to get in again.

Thank you!
