

The kids have been really getting along well and working together in groups. They have been very inviting to new friends and inclusive in their play with others. They are getting outside more now and love to expend all that pent up energy saved all day while they worked hard on their lessons! Thank goodness for nice weather and spring time!

## PHOTO SPOT

The kids have been into board games and cards lately!

We have been working on fine motor skills. Tracing and precision cutting with scissors. It's tedious work!

Love to draw and cut!

The results of all that tracing and cutting!

Welcome to the **Month of the Young Child!** April is a very fun filled month! **Please check the calendar on the website, <https://daycarecentersinc.com/parent-events/>** or email for specifics. There are many special days that you and your child need to be prepared for! Most are on Wednesdays!

The new **hot lunch slips** went out and start this month!

If you haven't tasted a "**Nothing Bundt Cake**" cake yet, you need to! They are delicious! The cake we're selling are the size of an adult's hand and feeds 2 people (if you're willing to share!) Keep those special mothers in mind when placing your orders. Go ahead and order one for yourself too! Sale runs from **4/15-4/26** and will be **delivered on 5/10** right before Mother's Day Weekend.

**The Preschool children** will watch and discuss a "**Personal Safety**" program during the week of **4/29**.

**Before/After School Age Program 2024-25.** If you haven't completed the registration packet for the upcoming school year please do so as soon as possible. Even if your child attends the school age program now, you still need to re-register for the Fall. This is the time of year when new families to the neighborhood start to look for care and those that didn't get in last year try to get in again.
