Teddy Bear Tips

Using our senses! Did you know, the more of our 5 senses we use to learn new things the easier/better it is to remember! Play games with your kids like what's that sound, what's that smell, I spy and other sensory based games to strengthen your child's ability to use them. Try to get them used to using their senses whenever possible followed by asking which one/ones did you use and what information did you get from each one!

What's New?

We have been working very hard on trying things ourselves! The Teddy Bears have gotten very good at zipping their jackets, opening their lunch containers, bags, etc. making their nap mats and other tasks through out the day! We are practicing tracing our names along with holding the marker correctly to do so.

Outside Fun

We are staying outside just a little bit longer now that the spring weather is here! We are having fun playing games on the blacktop, digging in the wood chips, racing each other, learning to kick and catch balls, and just playing with friends!

If you haven't tasted a **"Nothing Bundt Cake"** cake yet, you need to! They are delicious! The cake we're selling are the size of an adult's hand and feeds 2 people (if you're willing to share!) Keep those special mothers in mind when placing your orders. Go ahead and order one for yourself too! Sale runs from **4/15-4/26** and will be **delivered on 5/10** right before Mother's Day Weekend.

The Preschool children will watch and discuss a **"Personal Safety"** program during the week of **4/29**.

Before/After School Age Program 2024-25. If you haven't completed the registration packet for the upcoming school year please do so as soon as possible. Even if your child attends the school age program now, you still need to re-register for the Fall. This is the time of year when new families to the neighborhood start to look for care and those that didn't get in last year try to get in again.

Thank you!
