- [I See Spring](#)

Teddy Bear Tips

Explore the outside! Science is all around us. With the weather getting nicer and the days getting longer let your child explore. Take a walk and look at the changes that are happening, let them dig in the dirt and describe what it feels like. Do they find any worms, Rollie Pollies, small rocks? Keep track of when the sun goes down. Write down the time every day for at least a week so they can see each one getting just a little bit longer. These things along with other small activities will help your child understand what it means when the seasons change, what happens to the environment, animals, plants etc. Science/exploring can be in your own backyard

New This Month

- We will be taking down all of our winter art work and decorations to replace them with Spring! We are looking forward to the nicer, warmer weather so we can enjoy more fresh air and outside play!
- Parent Conference invites will be sent out via Sign Up Genius the week of **3/3**. Conferences will be held over the phone the week of **3/17**.
- We will also be having our St. Patty's Day parties, which will take place in the classroom the morning of **3/17**. We have **20** students in the class, including your own. Please wear **green**.

Outside Fun

On our walks we will be looking for the first signs of Spring! We can not wait for the beautiful days of Spring so we can run in the field, practice throwing and kicking, rolling down the hill and just having fun!

We go outside twice a day. Please make sure your child has what they need. The weather will start getting crazy again. The mornings may be a bit chilly and afternoons are warm, sending in a jacket will ensure your child will be comfortable for both times of day!

Tips/Reminders

- Please continue to update us, or the office, of your child's vaccination status.
 - All medicines/prescriptions must be kept in their original containers and held in Connie's office.
- All items must be labeled.
- Please alert us either by email, phone, or through Procure of any changes to your child's daily pick-up/drop off routine. This is especially important if someone other than your child's parent is picking up and must be ID'd.
 - Anybody who is not a parent must have a signed "Release Form". These can be given to you by your child's teacher.**Everyone picking up must have an ID.**

HELLO
SPRING

A colorful graphic design for 'HELLO SPRING'. The word 'HELLO' is in a bold, sans-serif font with each letter in a different color: H (dark blue), E (pink), L (yellow), L (green), O (yellow). The word 'SPRING' is also in a bold, sans-serif font with each letter in a different color: S (pink), P (yellow), R (red), I (teal), N (dark blue), G (pink). To the left of 'HELLO' is a pink tulip with two green leaves. To the right of 'HELLO' is a yellow flower with a teal center. A teal bird with a yellow beak is perched on the second 'L' of 'HELLO'.

Children are always looking for new ways to learn and grow. Consider checking out this article in order to find out more ways to support your child's development now and in the coming years. <https://www.kidcentraltn.com/development/4-5-years/brain-development-preschool-3-5-years.html>

Center-Wide News

CENTER WIDE NEWS

Essentials for Parenting Toddlers and Preschoolers

[Essentials for Parenting Toddlers and Preschoolers](#) is a free, online resource for parents of 2- to 4-year-old children from the CDC. It provides access to resources based on decades of research and parenting experiences to help build positive relationships with children, encourage good behavior, and address common parenting challenges.

SAFETY CONCERNS: Please drive slowly in the parking lot and keep your children with you when walking across the lot. It can be very difficult to see your little ones.

Thank you for all the donations made to the food bank. They were so overwhelmed with appreciation for your generosity.

The Sweetheart Dance was a huge success! Thanks to everyone who took the time off to spend quality time with their kids celebrating love! Special **THANKS** to Ms. Calina for DJing our party!

Why so many fundraisers? Please remember that the reason we do many fundraisers throughout the year is so that families can pick and choose which ones they want to participate in. We try to come up with different events that support local businesses so if you have any ideas feel free to share! The proceeds from these fundraisers go toward the cost of special programs offered during the year. We appreciate your participation and support!

Week of 3/17 - Parent / Teacher conferences are an important part of an effective communication system. We appreciate your time and effort when speaking with us and completing the questionnaires. These give us valuable feedback for program quality improvement. We will be holding phone conferences again. This format seems to be more effective and easier for parents and staff.

Summer Schedules- If you plan on changing your child's summer schedule, please send an email to Miss Connie as soon as possible

SUMMER CAMP (School-Agers) is Filled!

Please make sure you have submitted all your paperwork including lunch slips. Physical forms are due as soon as your child is due for a check-up.

ALL FEES ARE DUE BY JUNE 1st. Trips have limited spots on the buses so **fill out your form as soon as available.**

Thank you!

Paperwork is available on our website. <http://www.daycarecentersinc.com/Forms.php>
tubbybearstroom@gmail.com

215-578-0862 x205 an appointment with Bob to submit your paperwork.
