Babies will go through many milestones throughout their early years. We will help and encourage them to hit everyone. Some babies will hit them faster than others, which is perfectly ok as long as they are on the right track. Here is a website that will show what milestones should be made each month!

### **OUTSIDE PLAY**

We are excited for the beautiful fall weather. We can't wait to go on walks and play in the field. We love to play ball and use the push toys when we go outside. We go outside twice a day weather permitting. Please make sure everyone has appropriate clothing.

### **A few reminders:**

At 6 months we would like to introduce them to a sippy cup and let them have it when they are eating their lunch. We will put water in it till they transition from a bottle to a cup. We also start to work with them on holding their own bottles.

At 1 year we like to get them off the bottle and the pacifier. They should also be on finger foods and feed themselves. They are also down to 1 nap a day and are on a cot.

We supply 2 snacks a day so when you have introduced foods at home please let us know and we will start giving them snacks.

## Center Wide News:

Welcome to the start of our **2025-26 school year!** We hope everyone had a great summer and are looking forward to cooler temperatures and the rest of the fun that the fall season brings. The **September Calendar of Events** is posted on the website as well as on the classroom doors.

Specific classroom information and our **Family Handbook** is available on our **website** in the Programs Tab <https://daycarecentersinc.com/programs/>. Click on your child's classroom name, scroll down to the bottom of the page and click on **Welcome Pack** and **Family Handbook**.

Every child **must have had breakfast/first bottle before** coming to care.

Every child must have a **yearly physical form** with all shots up to date. If we do not have a current, up-to-date physical on file for your child **PLEASE get this done immediately. These PHYSICAL FORMS are DUE EVERY YEAR! We are in our State Inspection window. Without a current physical we must deny services.**

**Lunch Orders:** There is **NO Thursday lunch** scheduled for the first week of school. (9/4) If you do order lunches, please *remember to provide a drink for the meal.*

\*Teachers talk with children during lunch about the **nutritious value of the foods they are eating**, encouraging them to eat foods from all food groups. Please make sure you are providing items from all food groups in their lunches.

\*If there is **perishable food** in your child's lunch please label it and we will place it in the refrigerator. Please use **ice packs** in lunchboxes as well.

### Safety:

\*As with the start of every new school year, we ask for your cooperation with **providing proper identification** when picking up your child.

Since family members are permitted to enter the building, **keep your child close to you and be aware of other cars in the parking lot. Speed limit in the parking lot is 5 MPH. Children may not wander the hallways/stairwells without a parent in sight.**

\***Entrance/Exit Door** - our main entrance and exit is the **back door off of the playground**. This is the only door families may enter or exit the building. All doors to the building are kept locked at all times. **The back door is manned from 7:30-9:00 AM and from 3:30-5:30 PM daily.**

**\*Families must arrive before 9:00 AM and after 3:30 PM to pick up their children. Please try to make appointments during the times the door is manned. If not possible and you need to pick up or drop off during the times the door is not manned, you will need to call the center at 215-572-0862 x202 except on Wednesdays, x200 or 204. It may take a while for us to get to the door, so please be patient.**

\***ID Required to pick up a child. We have 2 people to man the door in the afternoon. They may not know everyone so please have your ID ready and tell them your name, who you are picking up, and what room they are in.**

**\*If anyone other than the normal, everyday pick-up person (even if they are an emergency contact person) needs to pick up your child, you must complete a yellow release form and leave it at the backdoor desk.**

**Safety Children MUST wear socks and closed shoes** (sneakers) to protect their feet while participating in large motor play both inside and outside.
