

CARE BEAR'S NOVEMBER NEWSLETTER 2025

Dear Families

As we bid farewell to October and warmly embrace November, I want to extend a heartfelt welcome to all of the new little ones joining our classroom this month! Just as the weather changes, so do the wonderful opportunities for growth and learning we have ahead of us. This month we are focusing on acts of kindness, gratitude, and community. Our classroom will be filled with engaging hands on activities and various learning experiences designed to foster curiosity and foster connections amongst your children. Please keep an eye out for upcoming events, and don't hesitate to reach out to get involved. Wishing everyone a Happy Month of Thanks!

Developmental News:

At **6 months** we ask that everyone start to wash their little ones hands before entering the classroom. At this point and time we would like to introduce them to a **sippy cup** as well to have while eating their lunch. We will put water in it until they transition from a bottle to a cup. We also start to work with them on holding their own bottles.

At **1 year** we like to get them **off the bottle and the pacifier**. They should also be **on finger foods** and **feed themselves**. Around **11 months** we will start to get them ready for a cot and try and get them on our nap schedule. We will take away the morning nap so they go down at nap time. They can go on a cot between **10,11 and 12 months**.

We supply 2 snacks a day so **when you have introduced foods** at home please let us know and we will start giving them snacks **(please ensure that you let us and upstairs know if there are any food allergies to be aware of)**.
