

Pooh Bear November '25 Newsletter

The rain couldn't dampen the spirit of the Pooh Bears as they waited for the Edge Hill Fire Company

Firefighters to come and teach them all about fire safety. One main objective was to show the kids that even when the firefighter is all dressed in his heavy gear and he might look kind of scary : he's not! He's there to help! The firefighter walked around and let the children see him up close.

Then the Pooh Bears each had the chance to walk through the fire truck! They loved it!

THINGS TO DO AT HOME

Build your child's independence by letting them do many tasks on their own. They can dress themselves, practice zippering their jacket, folding laundry, setting the table, wash dishes, make their own bed, and so much more! They are at the age where they just love to learn new things so take advantage of that and teach them all that you know! Be prepared for some frustration, but keep on encouraging them and letting them know that with practice, all things get easier! We all had to crawl before we could walk:)
