

# CARE BEAR'S APRIL NEWSLETTER 2026

## Dear Families

April is the month of the young child, and we are excited to announce that this year we will be focusing on the delightful book "The Great Cookie Kerfuffle" by Jessica Shaw. Throughout the month, we will have a variety of special activities themed around the book, so be sure to check the calendar for all the fun events we have planned! We are thrilled to kick off our new fundraiser with Nothing Bundt Cake starting on April 13th. As we embrace the beauty of spring, we have a plethora of exciting activities lined up, including creative art projects to enjoy with your little ones, a special meeting with the Easter Bunny, and much more! We can't wait to share these experiences with you and your children. We are always open to suggestions, so please do not hesitate to reach out!

## Reminders

- Please remember to **wash your child's hands** every morning before entering the room.
- Make sure your babies have the **appropriate clothing** for the day. **Shoes and socks** should be worn especially if they are going outside. We go outside twice a day so please send in a **jacket**.
- We do not heat up food so please put hot food in a thermos.
- **Label everything**
- **Please call** us or message us in procare if your child will not be coming that day
- If your baby is walking or beginning too, please start thinking about hard sole shoes for them to wear.
- Please make sure the clothes in their locker are appropriate for the weather and are also up to date with size.

**OUTSIDE PLAY**

We are enjoying the times we get to go outside. Hopefully we will be able to get outside everyday soon! We will take walks and play with the bikes on the blacktop. Eventually we will be able to take a blanket out on the hill outside and play with the blocks and balls. The older babies love to try and climb the hill.

**A few reminders:**

At 6 months we would like to introduce them to a sippy cup and let them have it when they are eating their lunch. We will put water in it till they transition from a bottle to a cup. We also start to work with them on holding their own bottles.

At 1 year we like to get them off the bottle and the pacifier. They should also be on finger foods and feed themselves. They are also down to 1 nap a day and are on a cot.

We supply 2 snacks a day so when you have introduced foods at home please let us know and we will start giving them snacks.
