

Honey Bears April 2026 Newsletter

The Honey Bear's are rolling dice, counting the dots, and then identifying the number on the mouth. When they find the number, they placed play dough in the spot.

Please look at the April calendar, we have a fun filled week of activities for the children on April 13-17th.

One Book Every Child

We will be reading *The Great Cookie Kerfuffle* by Jessica Shaw. We will have an activity every Monday to celebrate the book.

Reminders/Notes

Please check lockers and make sure your child has 2 sets of clothes- pants, underwear, socks, and shirts. The weather is starting to change so please check for the appropriate clothes.

Please call or message us if your child will be absent for the day or your child has an appointment. We do check up if you do not show up after 9:30am.

Honey Bears are sorting food on their plate. Is the food a vegetable, fruit, grain, protein, or dairy?

The Honey Bears read Green Eggs and Ham. They each got a basket of green eggs. The children had to identify the number on the egg and place the correct amount of pom-poms in the egg.

We're learning Mathematical Thinking and Expression

Do it!

Help your preschooler draw straight, curvy, wavy or zigzag lines across a piece of paper. Give child-safe scissors for them to practice cutting on the lines. If your preschooler has difficulty drawing or cutting, trace or pre-cut different types of lines using different colors. (pakeys.org)

Outside

The Honey Bears are looking forward to playing outside and exploring nature now that the weather is getting warmer. We are excited to take more walks and enjoy the fresh air. Hopefully we will see flowers blooming.

Skills We Are Working On

- Walking up and down the stairs alternating feet.
- Drawing a circle and square.
- Remember part of a story.
- Remembering address

No Birthdays

Honey Bears read Cat in the Hat. They did a stem building activity.
