

Fozzie Bear May Newsletter 2026

Last month was so much fun! We learned so many new things about space/ rockets, the earth, and our environment.

we made a lot of fun art projects so keep an eye out in the hallway! We also loved seeing the Easter Bunny and picking up all the goodies. This coming month we hope to take some more walks and continuing to grow with friends.

With the weather heating up please remember to apply sunscreen in the morning. We will reapply after nap time! We passed a sign up around asking for permission to use our body sunscreen, but EVERYONE needs to bring in their own face stick. Many of you already have which is great. Also remember to bring in labeled, weather appropriate clothes for your child. now is the time to switch over to shorts and short sleeves

This month we also get to celebrate mothers! The women that kiss our boo-boos better and make us smile everyday. Let's make sure we show them how much they are loved and appreciated.
