

CARE BEAR'S JULY NEWSLETTER 2026

Dear Families

YAY FOR SUMMER AND LETS KICK OFF JULY!! We hope everyone has a wonderful summer with friends and family! Please let us know if you will be out on vacation if you haven't done so already. We will be welcoming new friends to the Care Bear room this summer, and we would like to wish the best of luck to all the babies who will be moving to the next room, This month we'll explore summer through infant friendly, sensory-rich experiences: red, white, and blue art for the Fourth of July, our annual Summer Carnival, and plenty of sunny-day themes. We'll notice bright colors, flowers, and weather changes, and practice summer routines like staying cool, wearing hats, and using sunscreen. Expect lots of tummy-time treasures, and nature items to touch, shake, and explore. We'll keep focusing on language development with songs, simple signs, and stories. Fine motor play will include grasping, scooping, and stacking. Gross motor play includes reaching all milestones like rolling, crawling, and cruising. All of this will be wrapped in our fun summer activities!

Reminders

- Please remember to **wash your child's hands (6 months and up)** every morning before entering the room.
- Make sure your babies have the **appropriate clothing** for the day. **Shoes and socks** should be worn especially if they are going outside. We go outside twice a day so please make sure they have the appropriate clothing.
- We do not heat up food so please put hot food in a thermos.
- **Label everything!!**
- **Please call** us or message us in Procure if your child will not be coming that day
- If your baby is walking or beginning to, please start thinking about hard sole shoes for them to wear.
- Please make sure the clothes in their locker are appropriate for the weather and are also up to date with size.
- Please sunscreen your child before they come to school. We will reapply in the afternoon!

Llama Llama Sand and Sun
You're My Little Sunshine
Beach Baby
Red White and Blue I Love You

Upcoming Events:

7/2 Red White, and Blue Day!

7/3 CLOSED

7/22 Bucks Bubbles

OUTSIDE PLAY

We will not be doing water play this year because we have more little ones this year who can not participate. We will still enjoy our fun outdoor activities like riding bikes, going for walks, playing in the field and blowing bubbles. We are always looking for new ideas to incorporating into our out door time, so please do not hesitate to give suggestions! Please be sure to apply sunscreen to your child in the morning before coming to school, as we do tend to start our outside time at 8:45. and the mornings have been a little warmer. We will reapply sunscreen in the afternoon before we go outside (if you have not sent one in yet please do)!

A few reminders:

At 6 months we would like to introduce them to a sippy cup and let them have it when they are eating their lunch. We will put water in it till they transition from a bottle to a cup. We also start to work with them on holding their own bottles.

At 1 year we like to get them off the bottle and the pacifier. They should also be on finger foods and feed themselves. They are also down to 1 nap a day and are on a cot.

We supply 2 snacks a day so when you have introduced foods at home please let us know and we will start giving them snacks.

Center-Wide News

We hope everyone is enjoying the start of summer! As we head into another exciting month, we would like to share a few important reminders and updates.

Our summer camp and classroom activities are in full swing! Please make sure your child arrives prepared each day with any items requested by their teacher, including a labeled water bottle, sunscreen applied, socks and sneakers!

Please sign your child in and out each day using Procare. Please ensure your child is signed in when entering the classroom and signed out when departing.

Please make sure you bring your ID with you when picking up your child.

To help children transition smoothly into their day and participate in morning activities, we ask that all children arrive by 9:00 a.m. unless you have notified the office of an appointment or special circumstance.

Please label everything you bring in such as lunch boxes, water bottles, blankets, extra clothing.

If your child is feeling unwell, please keep them home and notify the office/teachers. We appreciate your help in keeping our school community healthy.

Be sure to check Procare, and classroom communications regularly for important updates, event information, and reminders.

We look forward to creating a fun, safe, and memorable summer for all our children!

Thank you!
