We hope everyone is enjoying the start of summer! As we head into another exciting month, we would like to share a few important reminders and updates.

Our summer camp and classroom activities are in full swing! Please make sure your child arrives prepared each day with any items requested by their teacher, including a labeled water bottle, sunscreen applied, socks and sneakers!

Please sign your child in and out each day using Procare. Please ensure your child is signed in when entering the classroom and signed out when departing.

Please make sure you bring your ID with you when picking up your child.

To help children transition smoothly into their day and participate in morning activities, we ask that all children arrive by 9:00 a.m. unless you have notified the office of an appointment or special circumstance.

Please label everything you bring in such as lunch boxes, water bottles, blankets, extra clothing.

If your child is feeling unwell, please keep them home and notify the office/teachers. We appreciate your help in keeping our school community healthy.

Be sure to check Procare, and classroom communications regularly for important updates, event information, and reminders.

We look forward to creating a fun, safe, and memorable summer for all our children!

Thank you!
