

CARE BEAR'S AUGUST NEWSLETTER 2026

Dear Families

As we enter the month of August, we are excited to end the summer with a big hooray! Over the past three months, we have shared so many fun, creative, and memorable experiences with your little ones. It has been a joy watching them learn, grow, and reach new developmental milestones each day, and we can't wait to continue exploring and learning together.

As we wrap up our summer theme, we will be reviewing many of the concepts we have already covered, including weather changes, appropriate summer clothing, the differences between hot and cold, colors in our environment, and different types of animals. Through hands-on activities, songs, sensory play, and story time, we will continue reinforcing these concepts while making learning fun and engaging.

We will also continue encouraging growth in all areas of development, including gross motored skills, fine motor skills, language development, cognitive development, and social-emotional interaction. Your little ones have come such a long way, and we are incredibly proud of all they have accomplished. We can't wait to see what this month has in store as the continue to learn, explore, and shine!

Thank you for your continued support, encouragement and partnership. We truly appreciate being part of your child's learning journey. As always, please don't hesitate to share ideas, ask questions, or express concerns. We value your feedback and are always open to new ideas and constructive suggestions. Together, we can continue creating a positive and enriching experience for every child.

Reminders

- Please remember to **wash your child's hands (6 months and up)** every morning before entering the room.
- Make sure your babies have the **appropriate clothing** for the day. **Shoes and socks** should be worn especially if they are going outside. We go outside twice a day so please make sure they have the appropriate clothing.
- We do not heat up food so please put hot food in a thermos.
- **Label everything!!**
- **Please call** us or message us in Procare if your child will not be coming that day
- If your baby is walking or beginning to, please start thinking about hard sole shoes for them to wear.
- Please make sure the clothes in their locker are appropriate for the weather and are also up to date with size.
- Please sunscreen your child before they come to school. We will reapply in the afternoon!

Llama Llama Seasons of Fun!

All The Colors That I See

The Very Hungry Caterpillar

Llama Llama Time To Share

Upcoming Events:

8/20 Last Day of water play

8/28 Last Day of Camp!

Sample text 1

A few reminders:

At 6 months we would like to introduce them to a sippy cup and let them have it when they are eating their lunch. We will put water in it till they transition from a bottle to a cup. We also start to work with them on holding their own bottles.

At 1 year we like to get them off the bottle and the pacifier. They should also be on finger foods and feed themselves. They are also down to 1 nap a day and are on a cot.

We supply 2 snacks a day so when you have introduced foods at home please let us know and we will start giving them snacks.

Center-Wide News

We can't believe summer is almost over! We hope everyone has had an amazing summer so far!

Reminders: **There will be no Summer Camp the week of August 31st as we prepare for the new school year.**

Friday, September 4th: **The center will close at 3:00 PM.**

Monday, September 7th: **The center will be closed for Labor Day.**

Tuesday, September 8th: **Children will move to their new classrooms.**

Please make sure your child's health report is up to date

We will miss all our campers and will look forward to next summer. We hope everyone has a great school year!

Best of Luck to our Kindergartners who will be starting a new adventure! We will Miss you all!

Thank you for all your continued support.

We hope you enjoy the last month of summer! Happy August!
