

CARE BEAR'S SEPTEMBER NEWSLETTER 2025

Dear Families

We are sad to say goodbye to summer, but we are so excited to welcome the beautiful season of fall! We look forward to welcoming everyone back and embracing all of our new families as we begin another wonderful school year. We would also like to wish a heartfelt farewell to all of our little ones who are moving up to Fozzies. We will miss you dearly! We are so grateful for the opportunity to have spent this special first year with your little ones. Thank you for your grace, encouragement, and support throughout their time with us. It has been such a joy watching them grow and learn.

As we prepare for the new school year, we will begin our fall unit, where we will explore all that autumn has to offer. We will learn about the beautiful colors of fall, explore how the weather and environment change, and discover the different clothing and attire we wear during the season.

Along with our fall exploration, we will continue encouraging self-expression, strengthening communication skills, and developing both fine and gross motor skills. We are so excited for all the learning, growing, and fun that the rest of the year will bring!

We hope you all had an amazing summer and are ready for a wonderful new school year. Thank you for all that you do to support us in caring for and educating your little ones. We truly appreciate your partnership!

With love,

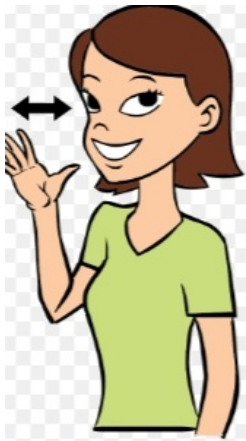

The Care Bear Teachers.

CLASSROOM THEMES

- Pumpkin
- Colors
- Welcome
- Leaves

Babies will go through many milestones throughout their early years. We will help and encourage them to hit everyone. Some babies will hit them faster than others, which is perfectly ok as long as they are on the right track. Here is a website that will show what milestones should be made each month!

<https://www.cdc.gov/ncbddd/actearly/milestone>

Reminders

- Please remember to **wash your child's hands** every morning before entering the room.
- Make sure your babies have the **appropriate clothing** for the day. **Shoes and socks** should be worn especially if they are going outside.
- We do not heat up food so please put hot food in a thermos.
- **Label everything**
- **Please call** us or message through procare if your child will not be coming that day
- If your baby is walking or beginning too, please start thinking about hard sole shoes for them to wear.
- Please call the room if you are picking up before 3:30.

OUTSIDE PLAY

We are excited for the beautiful fall weather. We can't wait to go on walks and play in the field. We love to play ball and use the push toys when we go outside. We go outside twice a day weather permitting. Please make sure everyone has appropriate clothing.

A few reminders:

At 6 months we would like to introduce them to a sippy cup and let them have it when they are eating their lunch. We will put water in it till they transition from a bottle to a cup. We also start to work with them on holding their own bottles.

At 1 year we like to get them off the bottle and the pacifier. They should also be on finger foods and feed themselves. They are also down to 1 nap a day and are on a cot.

We supply 2 snacks a day so when you have introduced foods at home please let us know and we will start giving them snacks.

Center Wide News:

Welcome to the start of our **2026-27 school year!** We hope everyone had a great summer and are looking forward to cooler temperatures and the rest of the fun that the fall season brings. The **September Calendar of Events** is posted on the website as well as on the classroom doors.

Specific classroom information and our **Family Handbook** is available on our **website** in the Programs

Tab <https://daycarecentersinc.com/programs/>. Click on your child's classroom name, scroll down to the bottom of the page and click on **Welcome Pack** and **Family Handbook**.

Every child **must have had breakfast/first bottle before** coming to care.

Every child must have a **yearly physical form** with all shots up to date. If we do not have a current, up-to-date physical on file for your child **PLEASE get this done immediately. These PHYSICAL FORMS are DUE EVERY YEAR! We are in our State Inspection window. Without a current physical we must deny services.**

Lunch Orders: There is **NO Thursday lunch** scheduled for the first week of school. (9/7) If you do order lunches, please *remember to provide a drink for the meal.*

*If there is **perishable food** in your child's lunch please label it and we will place it in the refrigerator. Please use **ice packs** in lunchboxes as well.

Safety:

*As with the start of every new school year, we ask for your cooperation with **providing proper identification** when picking up your child.

Since family members are permitted to enter the building, **keep your child close to you and be aware of other cars in the parking lot. Speed limit in the parking lot is 5 MPH. Enter on Central and exit on Spear. This keeps the traffic going one way in the parking lot. Children may not wander the hallways/stairwells without a parent in sight.**

***Entrance/Exit Door** - our main entrance and exit is the **back door off of the playground**. This is the only door families may enter or exit the building. All doors to the building are kept locked at all times. **The back door is manned from 7:30-9:00 AM and from 3:30-5:30 PM daily.**

When school-age children are outside on the playground (typically on Mon, Tues and Thurs) all other children are permitted to use the climber till they come inside. We will be closing the gate by 4:30 each day.

If your child needs to use the bathroom while you are outside and the building is still open, please do not use their classrooms bathroom. Please use the restrooms located by the Care Bear rooms. There is also a porta-potty outside that you may use. Once children have been signed out for the day, they should not return to their classroom. Thank you for your cooperation!

***ID Required to pick up a child. We have 2 people to man the door in the afternoon. They may not know everyone so please have your ID ready and tell them your name, who you are picking up, and what room they are in.**

***If anyone other than the normal, everyday pick-up person (even if they are an emergency contact person) needs to pick up your child, you must complete a yellow release form and leave it at the backdoor desk.**

*All **Children MUST wear socks and closed shoes** (sneakers) to protect their feet while participating in large motor play both inside and outside!

Long hair MUST be pulled up and tied back to prevent head lice.
