

CARE BEAR'S OCTOBER NEWSLETTER 2026

Dear Families

Now that we have settled into the new school year, we are excited to officially welcome the beautiful fall season! October is such a fun and exciting month, and we look forward to sharing all of its wonders with your little ones.

Throughout the month, our classroom will explore many fall-themed experiences, including the changing colors of the season, cooler weather, and the sights, sounds, and textures that make autumn so special. We will also enjoy a variety of seasonal and not-too-spooky creative activities that encourage curiosity, exploration, and hands-on learning.

As always, our daily activities are thoughtfully planned to support your child's growth and development in all areas, including language, social-emotional skills, cognitive development, fine and gross motor skills, and sensory exploration.

Through songs, stories, art, movement, and play, we will continue to provide meaningful learning experiences that help your little one discover and learn about the world around them.

We are grateful for the opportunity to partner with you in your child's early learning journey. Thank you for your continued support and trust. We are looking forward to a month filled with learning, laughter, and lots of autumn fun!

Happy Fall!

Warmly,

The Care Bear Teachers

Reminders

- Please remember to **wash your child's hands** every morning before entering the room.
- Make sure your babies have the **appropriate clothing** for the day. **Shoes and socks** should be worn especially for when they go outside.
- We do not heat up food so please put hot food in a thermos.
- **Label everything**
- **Please call** us or message if your child will not be coming that day
- **Please leave a sweatshirt or jacket in locker for when we go outside.**

OUTSIDE PLAY

We will go outside twice a day. Please make sure they are dressed appropriately and ready to go. We will take walks and play on the field so please make sure they have shoes and socks on their feet.

Developmental News:

At **6 months** we ask that everyone start to wash their little ones hands before entering the classroom. At this point and time we would like to introduce them to a **sippy cup** as well to have while eating their lunch. We will put water in it until they transition from a bottle to a cup. We also start to work with them on holding their own bottles.

At **1 year** we like to get them **off the bottle and the pacifier**. They should also be **on finger foods** and **feed themselves**. Around **11 months** we will start to get them ready for a cot and try and get them on our nap schedule. We will take away the morning nap so they go down at nap time. They can go on a cot between **10,11 and 12 months**.

We supply 2 snacks a day so **when you have introduced foods** at home please let us know and we will start giving them snacks **(please ensure that you let us and upstairs know if there are any food allergies to be aware of)**.
