

Gummi Bear October Newsletterm 2026

Our new Gummi Bear friends are adjusting well in their new room and getting the hang of our daily routines. With the first month already at a close, we are getting used to the new teachers and friends. We are learning a lot and enjoying circle time every morning. Please remember to have everything labeled (jackets, clothes, bags, lunch boxes, cups, sheets, blankets).

ANYTHING that comes into the classroom needs to be labeled. We have 24 students on role and more times than not we have a lot of duplicate items, so please label! With the cooler weather coming in please be sure to bring in weather and size appropriate clothes. We go outside almost every day, and we are out before 9am, the mornings will be getting crisper so a light jacket is a good idea, even if you would like to keep it in their cubbies. We are so proud of all of our Gummi Bear friends and how much they have already learned. We can't wait to watch them continue to grow!
